

BEAT THE BRIDGE TO BEAT DIABETES

2016 CORPORATE/FAMILY TEAM T-SHIRTS

It's that time again! The Boondocks Branding Company is excited to offer corporate and Family team t-shirts for **Beat the Bridge!** We are offering 100% cotton and/or 100% poly "performance" tees & three different logo options year: (A) The Standard Logo, (B) The Enhanced Logo and (C) The Customize Logo.

LOGO OPTIONS

(A) THE STANDARD (nickname/logo—approx. 2" h x 10" w)

This is what we've done for the past several years. Pick a t-shirt color and we will print the official logo as a full-front, 1-color image (white ink on dark garments and black ink on light garments, (ultimately the printer's choice). We will place your corporate logo or family name across the shoulder-blades of the shirt (approx. 2" h X 10" w). There is a \$15 set-up your name.

***NOTE: see option "B" for logos larger than 2" h X 10" w;**

(B) THE (nickname/logo—up to 10" h x 10" w)

This is the same as the STANDARD shirt, with the exception of the size of the logo on the back. Again, pick a t-shirt color and we will print the official logo as a full-front, 1-color image (white ink on dark garments and black ink on light garments, again—printer's choice). Tell us what size you would like your logo to be "X" height and "Y" width. (Note, the max is 10" h x 10" w, and your request will be an approximate sizing, we may be "off" by 1/2" or so). There is a set-up fee of \$35 to have your logo enlarged on the back

(C) THE CUSTOM (Call for Details and Pricing)

Although you need to contact us early (Monday, April 20th, 2015), we may be able to work with you to create the shirt your team desires. In addition to the set-up fee (based on logo size), art fees will need to be applied. Remember, you will need to contact us ASAP if choosing this option. There is not such thing as starting this process "too early."

SHIRT OPTIONS

(A) STANDARD TEES

Your team may substitute the standard 6.1 oz., 100% tee-shirt for a 100% poly technical tee-shirt for an additional cost of \$6.00 per shirt. Also, note there are not as many colors to choose from.

(B) TECHNICAL TEES

Your team may substitute the standard 6.1 oz., 100% tee-shirt for a 100% poly technical tee-shirt for an additional cost of \$6.00 per shirt. Also, note there are not as many colors to choose from.

NOTE: PHOTO TEES

Unfortunately, we are unable to create "photo" image tee-shirts this year.
